

FUTURE ANYTHING

ACTIVATE

2024 Program Overview
Secondary Schools

INTRODUCING ACTIVATE

Future Anything transforms young people's curiosity and creativity into innovative ideas that make their world a better place. Our mission is to create **enterprisingⁱ** students, empowered educators, and future-ready schools.

i What do we mean by enterprising?

Enterprising (adj):

Marked by an independent energetic spirit and by readiness to act.

Activate is Future Anything's flagship in-curriculum program. Delivered over a term or a semester by classroom teachers, young people take an enterprising approach to their learning; ideating, prototyping and pitching their own innovative solutions to the problems in their world.

Using entrepreneurship as a vehicle, Future Anything programs build the 21st Century Skills required for young people to thrive in the future.

- ▶ **Communication**
- ▶ **Problem Solving**
- ▶ **Critical Thinking**
- ▶ **Adaptive Mindset**
- ▶ **Creativity & Innovation**
- ▶ **Project Management**

Culminating in an exciting high-profile National Grand Final experience, students have the opportunity to win the funding and support to take their ideas out of the classroom and into the real world.

“

Future Anything's Activate is an engaging opportunity for students, enabling them to become change agents for the issues that THEY care about.”

Adrienne Costello,
Stuartholme School, QLD

HOW DOES ACTIVATE WORK?

1

Capacity Building for Educators

Activate teaching teams get exclusive access to an inspiring (in-person and virtual) Professional Learning Conference plus unlimited coaching and support from the Future Anything team throughout the delivery of the Activate program.

2

Fully Resourced Curriculum

Activate teachers are provided with a fully-resourced curriculum (20 - 40 hours) that includes detailed lesson plans (with level up and level down activities to support differentiation), templates and exemplars, PowerPoints, case study videos and suggested assessment instruments.

3

Connecting Learning to Real Life

Each Activate school is partnered with their very own 'Entrepreneur in Residence'; an industry expert who provides 5 hours of mentoring and support to teachers and students; bridging the gap between industry and education.

4

Celebration of Success

Activate schools are supported to run their very own 'Showcase' event. All students can apply for our exciting Future Anything National Finals to win the funding and support to launch their ideas into the real world. Enterprising Activate teachers are celebrated in our National Educator Awards.

5

Impact Measurement

Using entrepreneurship as a vehicle, Activate focuses on building the 21st Century Skills required for young people to thrive in the future. Every Activate school is provided with detailed Benchmark and Impact reports to support the growth and development of students and teachers.

ACTIVATE IN ACTION

Choose from six curriculum-aligned subject streams, or 'Create Your Own' curriculum.

ENTERPRISE STREAMS

Delivered most often in Economics and Business, Design Technology, and Religious Education (Service Learning) classrooms, Enterprise streams support students to ideate, prototype and pitch innovative and financially viable solutions. All Enterprise Streams can also be assessed as a portfolio submission.

	LOCAL ENTERPRISE	SOCIAL ENTERPRISE	STARTUP ENTERPRISE
Year Levels	7 & 8	8, 9 & 10	10, 11 & 12
Mission	<i>"As a young entrepreneur, create a viable 'side hustle' as an alternative way to earn money while at school."</i>	<i>"As an entrepreneur, pitch an innovative social enterprise that makes the world a better place."</i>	<i>"As an entrepreneur, build an innovative, scalable, and sustainable business that you have validated in-market."</i>
Final Product	A product or service that can be sold at a local market.	A multi-modal persuasive pitch.	A business report.

SUSTAINABLE DEVELOPMENT GOAL (SDG) STREAMS

Delivered most often in Humanities, Design and Digital Technology, STEM, and Health & Physical Education classrooms, these streams are based on the United Nations Sustainable Development Goals (SDGs), and support students to ideate, prototype and pitch innovative ideas that make their world a better place.

	PLANET X	PEOPLE X	TECH X
Year Levels	7, 8 & 9	9 & 10	10 & 11
Mission	<i>"As an entrepreneur, showcase an innovative idea that reduces a negative environmental impact on our planet."</i>	<i>"As an entrepreneur, pitch an innovative idea that makes the world healthier, happier, or more equitable."</i>	<i>"As an entrepreneur, prototype an innovative solution that uses technology to make the world a better place."</i>
Final Product	Tradeshow display and/or portfolio.	Multi-modal persuasive pitch and/or portfolio.	Prototype and/or portfolio.

ACTIVATING AUSTRALIA

IN 2023 ACTIVATE REACHED:

Emerald State High School

SOCIAL ENTERPRISE | YEAR 10 | BUSINESS & ECONOMICS

Over the past three years, Emerald SHS has scaled up their approach to Activate including providing students with a prototyping budget. In 2022, one of their teams even traveled to Brisbane as a Showcase Finalist.

👥 28 🎓 1 🏠 3

St Luke's Catholic College

SOCIAL ENTERPRISE | YEAR 9 | LIFE DESIGN

Run over a term in Year 9 as part of their innovative whole-school approach to pastoral care (Life Design), St Luke's is famous for their annual Pitch Fest - a wonderful celebration of students' participation in Activate.

👥 160 🎓 8 🏠 2

Kildare College

SOCIAL ENTERPRISE | YEAR 9 | RISE (RIGHTS, INNOVATION, SUSTAINABILITY, ENGAGEMENT)

A long-time Activate school, Kildare College has enjoyed great success with teams traveling from Adelaide in both 2022 and 2023 to participate in the National Grand Final in Brisbane.

👥 140 🎓 6 🏠 4

Woodville High School

PEOPLE X | YEAR 7 | PROJECT NOVA

Woodville HS has embedded Activate as part of a compulsory year-long Project Based Learning subject for all Year 7 students. With over 200 students participating, the Woodville team further boosted the impact of the program with additional bespoke teacher professional development.

👥 200 🎓 17 🏠 1

Mackay North SHS

TECHNOLOGY X | YEAR 10 | STEM

LOCAL ENTERPRISE | YEAR 7 | CIVICS & CITIZENSHIP

North joined Activate initially for their STEM program but enjoyed it so much they expanded it to Civics too. Local media (and the Mayor!) attended their showcase, ensuring news of their students' achievements spread far and wide.

👥 110 🎓 4 🏠 4

Brisbane South SSC

'CREATE YOUR OWN' ACTIVATE STREAM | YEAR 9 BUSINESS & TECHNOLOGY

Alongside Future Anything's curriculum experts, the BSSSC team co-designed a new, integrated subject based on ACARA 9.0. Activate is now their most popular Year 9 elective, and in 2024 they'll create a new Year 10 elective too.

👥 105 🎓 3 🏠 2

Yarrabilba SSC

LOCAL ENTERPRISE/SOCIAL ENTERPRISE | YEAR 7/8 | GEM (GLOBAL STUDIES, ENTERPRISE & MEDIA ARTS)

PLANET X | YEAR 9 | DISCOVERY (MATHS/SCIENCE)

Yarrabilba SSC embeds enterprise thinking school-wide, with every Year 7, 8 & 9 student engaging in different Activate streams. This future-focussed approach saw them win 'Team of the Year' at the 2023 Future Anything Educator Awards.

👥 650+ 🎓 18 🏠 4

Parramatta Marist High School

TECHNOLOGY X | YEAR 10 | STEM

A school with an already strong PBL culture, Parramatta Marist leverages Activate to extend their students, engage industry with their Activator 'Entrepreneur in Residence' and unlock post-program pathways with our National Finals.

👥 40 🎓 2 🏠 1

St Michael's Collegiate

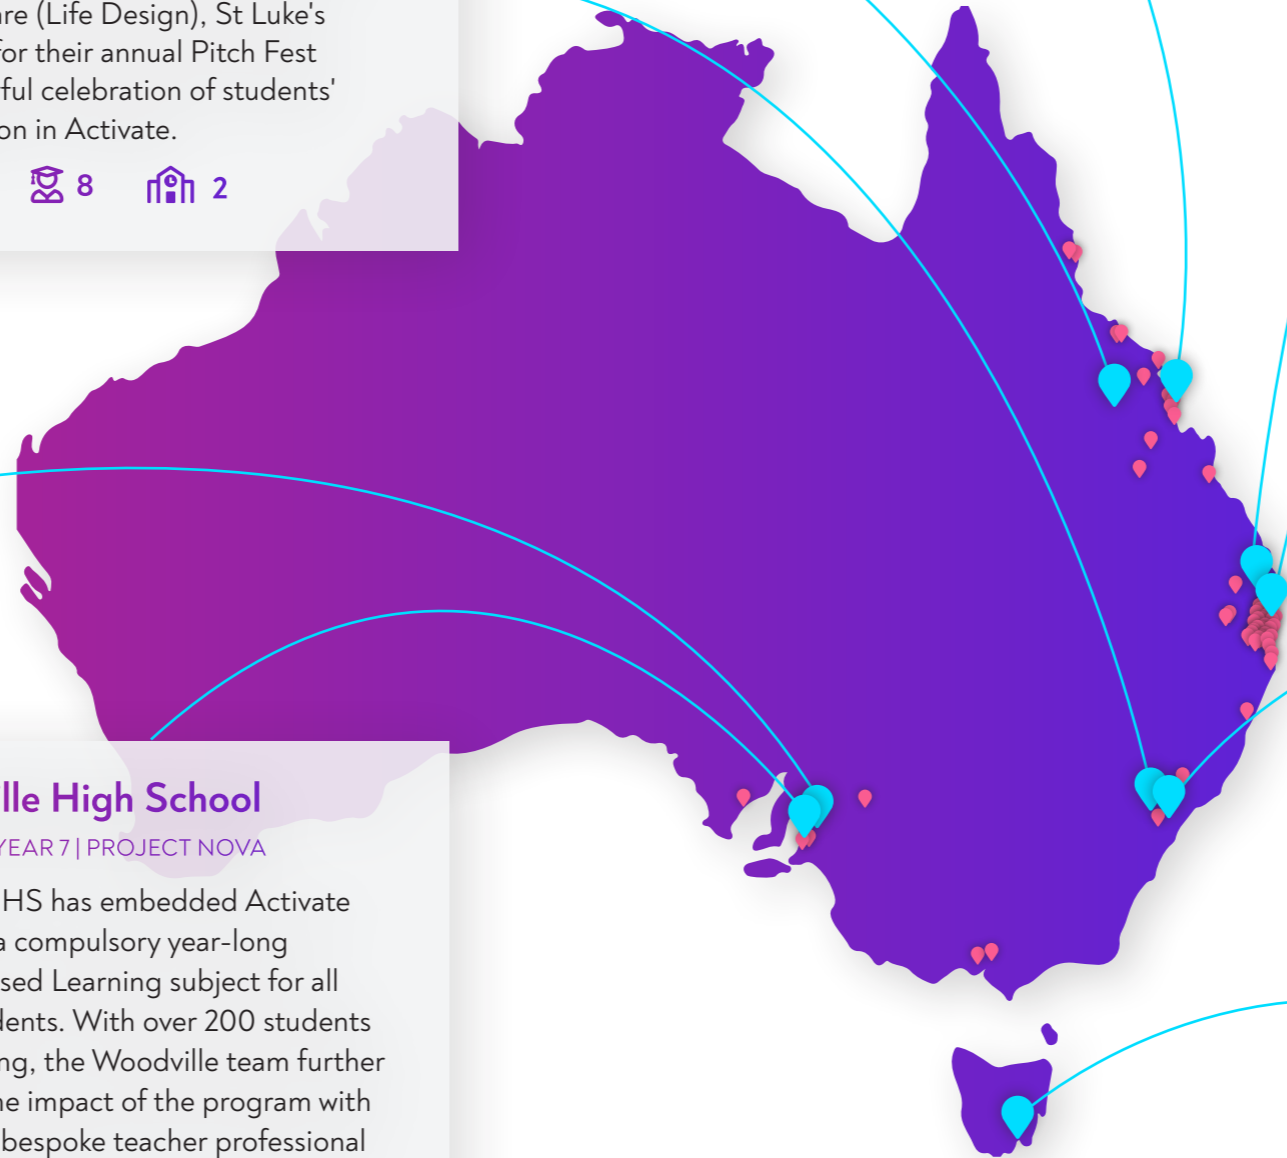

PEOPLE X | YEAR 7 | PROJECT BASED LEARNING

Collegiate has a strong experiential learning focus, and joined Activate following several successful Future Anything student workshops. Their Year 7 PBL program challenges students to solve problems relating to wellbeing.

👥 50 🎓 3 🏠 1

WHAT'S INCLUDED

CORE ACTIVATE INCLUSIONS

Activate includes everything teaching teams need to embed enterprising mindsets in every classroom.

BESPOKE 1-1 INDUCTION

We work with you to contextualise the program for your school before kick-off ensuring you're set up for success.

PROFESSIONAL DEVELOPMENT CONFERENCE

Tickets for your Activate teaching team to an engaging and practical day of networking and learning, unpacking the pedagogy of project-based learning and all program practicalities.

FULLY RESOURCED CURRICULUM

Online access to 20+ hours of curriculum, including detailed lesson plans, resources and assessment instruments.

YOUR OWN 'ENTREPRENEUR-IN-RESIDENCE'

We match you with an industry mentor that provides 5+ hours of coaching and support for you and your students.

CATAPULT CARDS KIT

A series of process driven decks of cards, Catapult Cards will unlock ideation and innovation in every classroom.

TEACHER COACHING AND SUPPORT

Your team have access to ongoing 1-1 coaching and support from the Future Anything team.

SCHOOL SHOWCASE

Everything you need to deliver your own school-based showcase event; the highlight of many schools' Activate experience!

NATIONAL STUDENT COMPETITION WITH PRIZES

Pathways post-program with students applying for the chance to win the funding and support to launch their ideas out of the classroom.

TAILORED EVALUATION & REPORTING

The provision of detailed Benchmark and Evaluation reports measuring the impact Activate has had for you and your students.

INVESTMENT

ACTIVATE	ACTIVATE + STUDENT WORKSHOP	ACTIVATE + STUDENT WORKSHOP + TEACHER PD
\$2950+GST	\$5950+GST	\$8950+GST

Get set to bend the future with all Core Inclusions for unlimited teachers and students in one curriculum stream of your choice.

PLUS

Supercharge your students' Activate experience with an engaging one-day workshop that will unlock their passion, potential and enterprising mindsets.

PLUS

Amplify your educators' confidence and capabilities with a full day of bespoke face-to face Professional Learning on site at your school.

OPTIONAL - ADD AN EXTRA STREAM

Want to run more than one Activate curriculum stream?
\$1950+GST per additional stream.

ACTIVATE - 'CREATE YOUR OWN STREAM'

Want your school's very own enterprising unit around space, agriculture, water, medicine, philosophy, history, curriculum or something else entirely?

We'll work alongside your teaching team to co-design a curriculum aligned, fully resourced and assessable unit of work that culminates in your students presenting innovative ideas that make their world a better place.

\$6950+GST
