ABOUT FUTURE ANYTHING

Future Anything unleashes **passion, potential** and **agency** in every classroom.

We support schools with a portfolio of curriculum-aligned programs for educators and students that build the 21st Century Skills that young people need to thrive in our ever-evolving world.

Our programs include:

- > **In-curriculum Entrepreneurship:** The Future Anything Challenge is our flagship program that builds enterprising mindsets in every classroom, empowering young people to ideate, prototype and pitch innovative, scalable and sustainable solutions to the problems they care about. In 2025, there were 8000+ students & 300+ teachers in 80+ schools in Australia.

FUTURE ANYTHING

- > **Teacher Professional Learning:** We design and deliver engaging educator PD; unpacking the 'what' and, more importantly, the 'how' innovative and future-focused teaching and learning. In 2025, our PD reached over 2000 teachers.
- > **Student Workshops:** Over one, two or five days, our workshops are fast paced days of listening, learning, and doing that ignite students' enterprising mindsets. In 2025, we delivered workshops to over 7500 young people in primary and high schools.
- > **Strategic Partnerships:** We partner with innovation bodies, education organisations, governments and others to spark innovative projects that drive entrepreneurial change in schools, communities and regions.

ABOUT THE ROLE

Our Workshop Facilitators deliver Future Anything's suite of engaging student-facing enterprise workshops for school students in Years 5 - 12.

These one-, two-, three- and four-day workshops (most often run on site at schools as an incursion program) use design thinking and entrepreneurship as the vehicle to support cohorts of students to identify problems that matter to them, and ideate, prototype and pitch their own innovative ideas that make the world a better place.

Think '*Shark Tank*' – but in a day (or two). These workshops are fun, fast-paced and take our facilitators all over the country.

One day you'll be supporting a student leadership group in regional South Australia to build student-led impact projects that make their schools more inclusive, and the next day you could be leading a Big Ideas Challenge; bringing together 180+ students from a 10+ local schools to work together to design innovative ideas that make their community more sustainable. No two days are the same!

Full training and an extensive suite of high quality, tried & tested educator-designed materials & resources are provided. Workshops take place in a diverse range of primary and secondary schools across Australia (primarily in QLD, NSW, SA & WA) during school term times.

FUTURE ANYTHING

ABOUT YOU

You're an energetic facilitator with outstanding communication skills and a passion for supporting school students in Years 5 – 12 from all backgrounds to engage in hands-on learning that links to life.

You are either:

- > A registered teacher looking for a dynamic and super-flexible casual role
or
- > A 3rd/4th year pre-service teacher, or a Master of Education Student looking to build your professional experience
or
- > A skilled facilitator with extensive experience engaging large groups of young people through dynamic workshop experiences

You have a passion for, or an interest in, design thinking, entrepreneurship and Project-Based Learning pedagogies.

For you, education is about creating authentic and engaging experiences that link learning to life for young people.

You're agile and adaptive and love having a rich and diverse portfolio of work. You thrive in a fast-paced environment where you can take the initiative.

You love education and you're looking for a meaningful and impactful way to make a difference for teachers and students all over Australia.

KEY SELECTION CRITERIA

1. YOU'RE A CONFIDENT AND ENGAGING FACILITATOR

You can hold a room and get the most from large and diverse groups of young people. You can think on your feet, use inclusive facilitation strategies to maximize student engagement and you establish relationships with students (and teachers) quickly. You enthusiastically work to ensure every student leaves a learning experience feeling seen, heard, empowered and ready to bend the future; one youth-led idea at a time.

2. YOU'RE A DOER.

You're flexible, energetic and well-organised and can demonstrate both a positive team-focussed attitude and the ability to work effectively with a minimum level of

FUTURE ANYTHING

supervision. You can anticipate problems and come up with actionable solutions. You're agile and adaptive and use feedback as fuel to get better.

3. YOU HAVE OUTSTANDING INTERPERSONAL SKILLS.

You're warm and generous and can demonstrate how you have engaged even the most reluctant young person to create positive impact. You're a great listener and use what you learn to build great relationships with a diverse range of stakeholders, including students, their teachers and broader communities.

4. YOU'RE PASSIONATE ABOUT DESIGN THINKING & PROJECT BASED LEARNING (OR YOU'RE KEEN TO LEARN!)

You understand the principles of design thinking, entrepreneurial pedagogy and Project-Based Learning (or you're keen to learn!) and can demonstrate a strong understanding of how to apply these pedagogies in diverse school/classroom settings to engage students, and inspire teachers.

ADDITIONAL REQUIREMENTS:

- > You must have a valid Australian Driver Licence and access to your own vehicle for work purposes*
- > You must hold a valid Working with Children Check and be subject to a National Police Check
- > You must have a valid working visa to work in Australia for the next two years (if applicable)
- > You must be able to travel. Regular travel within your home state, plus occasional interstate travel (including overnight stays) may be required.

FUTURE ANYTHING

WHY WORK WITH FUTURE ANYTHING?

- > **We're educators first.** Future Anything is founded, delivered and led by experienced educators. As such, we know schools and we know curriculum.
- > **We're here for schools.** Our programs are not plug and play, 'one size fits all'. We know every school is different and work closely with school leadership teams to ensure our programs reflect the unique needs of staff, students and broader school community.
- > **We're here for our team.** Working for Future Anything means:
 - Say goodbye to those old friends, marking, reporting and bell times.
 - We understand that life happens outside of work. That's why we don't expect a typical 9 AM - 5 PM schedule to work for everyone—we offer flexibility for you to do your best work in a way that works for you.
 - You'll be backed by a team that plans well, communicates clearly, and debriefs to continuously improve.

Future Anything is an equal opportunity employer. We are strongly committed to achieving a diverse workforce and welcome applicants from a diverse range of backgrounds

*Future Anything HQ is on the lands of the Turrbal and Jagara people.
